The City of Bryan Community Development Services Department (Department) requests public input regarding the socioeconomic and health impacts to our community caused by the COVID-19 pandemic. The Department is reviewing opportunities to re-allocate federal funding (Community Development Block Grant and Home Investment Partnerships program) for the current year when possible, as well as allocate additional funding through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). To learn more about the Department and the current programs provided in Bryan, please access https://www.bryantx.gov/community-development. Your response is greatly appreciated.
